

Dr Rita Fan takes office as HKU SPACE ALUMNI Honorary Patron

After 6 years' service and contribution, Mrs Selina Tsang stepped down as Honorary Patron of the HKU SPACE ALUMNI in July 2012. Dr Rita Fan, another enthusiastic and outstanding alumna of the School, kindly agreed to succeed Mrs Tsang as Honorary Patron of the ALUMNI. Dr Fan was warmly welcomed and presented a certificate for her leadership and support rendered to the ALUMNI in its 8th Annual General Meeting on 4 December 2012.

“With the good platform built by the ALUMNI, graduates in different areas are connected. They can share their interests, participate in volunteering services and contribute to the society together. Apart from attaining self-achievement, they can also make more new friends.” Dr Fan said. Dr Fan also expressed her joy in having connection with other alumni through the big ALUMNI family and her hope to promote lifelong learning to more alumni and the general public.

Remark: Dr Rita Fan studied Human Resources Management at HKU SPACE and was awarded as one of the Distinguished Alumni Fellows of the School in 2009. Dr Fan often shares her wisdom, views and experiences with alumni, students and staff of the School, such as the talk “Meaning of Life?” in Alumni Week 2012.
