

The Gem and Jewellery Alumni Association (GJAA) was established on 22 March 2014 and a launch party was held to celebrate the occasion. Close to 70 people attended with at least one representative from every class of graduates of the Executive Diploma/Certificate in Jewellery Marketing & Management courses. Sparkling wine, cookies and refreshment were sponsored by Mr Noel Lo, friends of Ms Linda Leung and HKU SPACE respectively.

The afternoon started with a talk by Mr Lawrence Ma, the Founding President of the GJAA and current Chairman of the Diamond Federation of Hong Kong. This was followed by an awards presentation to graduates and a seminar on the Foundation Certificate and the Executive Diploma in Jewellery Marketing & Management. Finally an introduction to the Gem and Jewellery Alumni Association was made by the Chairman, Mr Noel Lo.

Alumni and friends are all welcome to join GJAA activities in the future. If you wish to learn more about the Association, please contact Mr Noel Lo at noel@hnr.com.hk.

Please give your full support to the GJAA.
