2nd Jewellery Design Competition for Secondary School Students was Successfully Held

Gem & Jewellery Alumni Association (GJAA) has been working close with the Education Bureau of the Government of Hong Kong Special Administrative Region in providing local secondary schools with complimentary workshops and career talks to various secondary school students on career prospects in the jewellery industry which is not usually covered by their career masters since March 2014.

The 2nd Jewellery Design Competition for Hong Kong Secondary School Students, co-organised by the GJAA and the Education Bureau, was held successfully on 25 November 2017. This competition aimed at arousing the students' interest in jewellery design with the hope of grooming them into respectable jewellery designers in future and for maintaining the sustainability of Hong Kong's jewellery industry.

The judging panel consists various industry professionals, including Chow Tai Fook Jewellery Co Ltd, Mr Kwok, Managing Director of CSS Jewellery Co Ltd, Mr Chow Kit Shing, Sr Ed Offr(CG) of Education Bureau, Ms Chan Tsz Wan, Director of Institutional Advancement of HKU SPACE, Ms Susanna Mok, GJAA Honorary Advisor Dr William Fong Yan & Chairman Mr Noel Lo.

An award-giving ceremony was held after the competition. 25 awards were presented including the champion, the 1st runner-up, the 2nd runner-up, two merit awards and 20 finalist awards.
